

The last news!!

The basic kitchen equipment gets enlarged and completed with a Scanbox in each kitchen.

<https://www.scanbox.se/en/product/ergo-line-h12>

Please notice that this Scanbox is an additional basic equipment offered from the organizer with his partner SCANBOX to all the teams. This Scanbox does not count as one of the two additional trolleys.

As mentioned in the rule :

“The team may also bring a max of two transport boxes (GN2/1, max 180 cm height) boxes on wheels, warm or cold. Nothing on top. “
